LED Indicator Set
for safety field height of 610 mm

Z99G004
Part Number

Technical Data

Optical Data	
Light Source	RGBW
Electrical Data	
Supply Voltage	20,4...28,8 V DC
Temperature Range	0...55 °C
Power	24 W
Mechanical Data	
Brightness setting	4 levels
Degree of Protection	IP20
LED indicator	for safety field height of 610 mm

- **Avoidance of inadvertent ESPE resolution settings**
- **Quick identification of ESPE operating states**
- **Visualization of operating states in different colors**

The LED indicators indicate the operating states of SEFG safety light curtains and SEFB multi-light arrays in color. Depending on the utilized signal output, users can choose between four colors (RGBW) and select the desired light intensity. The setting is entered via the connection unit.
