

THE SSC CONTROLS COMPANY

THE FOOT SWITCH EXPERTS®

Product Information Sheet

DB-Series (Dual B-Series)

The DB-Series allows the combination of any two B-Series foot switches on a dual base, and comes with bumper feet as well as mounting holes to secure to the floor or equipment.

Design features:

- Sleek rounded design on a 12-gauge welded steel base.
- Durable steel housing provides toughness and long life.
- Powder-painted black with bumper feet.
- Includes mounting holes for bolt-down option to secure to floor or equipment.
- Available in any combination of B-Series foot switches.

Quality features:

- Quality system certified to ISO 9001 requirements.
- Includes a 1-year warranty on parts and labor.
- Made in USA of imported and domestic components.

Model number DB950

Dimensions, exterior (L x W x H): 8.4" x 4.9" x 1.8"

Weight: 2.4 pounds (without cable)

Finish: powder paint

Enclosure: CSA Type 1; IP-20 (IEC 60529)

Warning: To avoid personal injury, do not use foot switches on machinery lacking effective point-of-operation safeguards. Disconnect input power before installation or maintenance.

Model	Electrical Rating, Each Side
DB850-1501	15 A, ½ HP, 125 VAC (includes 3-pronged plug for wall outlet)
DB850-1502	15 A, ½ HP, 125/250 VAC (includes cable with leads)
DB950	20 A, 125/250 VAC; 1HP, 125 VAC; 2 HP, 250 VAC; 0.5A, 125 VDC; 0.25 A, 250 VDC (no cable; has screw terminals)
DB(XXX)	The "DB" dual base can be equipped with any combination of B-Series foot switches (for models B850 and B950 only).

Note: See B-Series Product Information Sheet for details about specific B-Series models and ratings.
